

Your trusted partner for the pulp, paper, board, and bio-products industries

Added value of full-line supplier

- Energy-efficient products with low life cycle costs and a lighter environmental footprint
- Mill surveys and energy audits for maximized performance and reliability of your processes
- Customized solutions for your process needs
- Increased hydraulic excellence
- Unique applications coverage
- Technologies for water and effluent treatment

Develop future processes with us

- Expertise in foam and separation applications
- Advanced technologies e.g. for lignin, micro-fibrillated cellulose, and biomass
- Rental equipment for process development
- Full-scale testing facilities
- Co-develop solutions for future bio-product applications

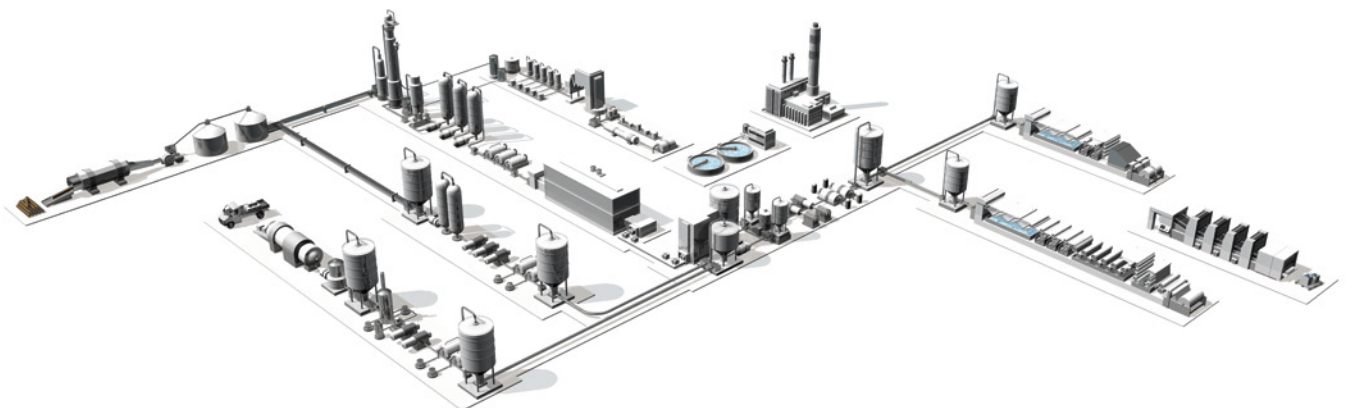

Core competences based on long-term development partnerships with key customers, innovative startups, and research institutes.

Service at your doorstep

Wherever you are, Sulzer is close by to provide personal, knowledgeable support and qualified services for the entire product life cycle, day and night.

Specific pumping, mixing and aeration solutions for a wide range of main processes in pulp, paper, and board production.

You can trust us to serve your installed base with our original spare parts also for the following well-known brands beyond Sulzer, such as Scanpump, ABS, Ahlström, Serlachius, Enso, Ensival Moret.

Extensive coverage for your process applications

Single-stage pumps

AHLSTAR A and APT ranges

AHLSTAR E/EPT range

AHLSTAR WPP/T range

AHLSTAR NPP/T range

SNS process pumps

CPE process pumps

Axial flow pumps

CAHR axial flow pumps

Axially-split pumps

ZPP headbox feed pumps

Ring section pumps

MBN multistage ring section pumps

MC/MD boiler feed pumps

A, N and W self-priming and gas removal pumps

SIL inline pumps

MC® medium-consistency products

MCE™ pumping systems

KCE™ pumping systems

SX chemical mixers

MC® discharge scrapers

MC® dischargers

Vertical pumps

VM and VA vertical pumps

VMS vertical multistage pumps

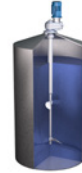

Agitators and tower management systems

SALOMIX™ side-mounted agitators

SALOMIX™ and Scaba top-mounted agitators

SALOMIX™ TES top entry spreader and GLI

Slurry pumps

EMW slurry pumps

PLR slurry pumps

Submersible pumps and mixers

Submersible pumps type ABS XFP, AFLX, VUPX

Submersible mixer type ABS XRW

Progressing cavity pumps

PC pumps

Compressors and aerators

OKI aerator mixer

Disc diffuser system type ABS

HST™ turbocompressor

HSR turbocompressor

Grinders

Muffin Monster grinders
